

Memo

To: Board of Directors

From: Alan E. Clanin, General Manager

Date: December 05, 2017 Subject: Vehicle Replacement

We have received a proposal from Fairview Ford for a new Ford F250 Super Cab 4X4 to replace one of the two aging 2006 Ford F250 diesel powered service trucks.

Background:

The District currently has two aging 2006 Ford F250 diesel powered service trucks. Both vehicles have had numerous breakdowns requiring expensive repairs. The Board has approved the replacement of one of the two trucks during the 2017-2018 fiscal year and deferred the replacement of the second truck until the 2018-2019 fiscal year. Field Supervisor Steve Wood has selected the first truck to be replaced based on physical condition, previous mechanical issues and future anticipated repair and running cost. The Kelly Blue Book trade in price is about \$11,000.

Proposals for New Vehicles:

Field Supervisor Steve Wood prepared specifications for new replacement vehicles. Requests for quotes were sent to Fairview Ford, Sunrise Ford and Raceway Ford. Fairview Ford was the only dealer to submit a quote. Attached are copies of the specifications for your information.

The quote received is as follows:

Fairview Ford

2018, 6.2 L EFI V8 Gasoline Powered Ford F250 Super Cab, 4X4, XL Trim, With Utility Body \$38,257.85

The above price includes sales tax.

Recommendation:

Fairview Ford has consistently been the low price for our vehicles over the years and will honor the quote price through 2018. It is my recommendation to accept the quote from Fairview Ford and proceed with the purchase of this vehicle.

The District has \$55,000 in the 2017-2018 fiscal year budget for this vehicle replacement.

FAIRVIEW FORD SALES, INC FLEET AND TRUCK CENTER 740 WEST 2ND STREET P O BOX 1390
